

Walmesley Dual Motor Rise & Recliner Chair

The Walmesley Rise & Recline Chair is a dual motor design allowing independent control of the backrest and leg rest. This enables the user to achieve ultimate comfort whilst using their chair. The chair has a waterfall pillow design for optimum comfort. Available in a variety of fabrics and colours. Easy to use hand control with fastener to store at the side of the chair when not in use. Pocket to store magazines and television remotes. High quality OKIN motor for smooth action. Fabric cover meets BS5852 part 1 and foam inner meets BS5852 part 2, Crib 5. This chair must be placed at least 28" away from the wall for daily operation. Maximum chair rise of 30°. Maximum User Weight Limit is 160kg.
